

OUR CANDLES

Our candles are thoughtfully crafted using 100% all-natural soy wax and eco-friendly materials. We use sustainably sourced wooden wicks and lead- and zinc-free cotton wicks to ensure a clean, safe burn. Each candle is hand-poured in our shop on beautiful Whidbey Island, WA, and is both vegan and phthalate-free — a perfect choice for those who care about the environment and quality.

ABOUT VARNER CANDLE CO.

After spending more than 15 years in the corporate world, I decided it was time for a new chapter. I launched my own Candle Bar & Boutique on beautiful Whidbey Island — a space where creativity, craftsmanship, and community come together.

WHOLESALE

We offer private label candle manufacturing, fully branded custom candles for your business, events, client and corporate appreciation gifts, holiday candle gifts, as well as bulk and wholesale candles.
